Synopsis:

A dependable and conscientious individual here; eager to utilize my key points of diligence, versatility, active listening, and creative aptitude while continuing the mission of and generating further progression within a perpetually developing environment. Alongside ambitiously fostering continual productivity, I also apply this concept in harmoniously motivating, maintaining, + reciprocating optimal well-being. Adept at working both independently and collaboratively, based on that which is necessary to effectively move forward. These qualities that I blend into the motion, in conjunction with experience and university studies, are elements to steadily cultivate solutions within the equation.

Associate of Science: Mass Communications	Volunteer State Community College Gallatin, TN
High School Diploma	Greenbrier High School
